

## **Revised Food Stamp Program notices for October 1, 2005**

**X025 EBT CARD NOT ACCESSED** – The notice informs households of the last time their Montana Access EBT card was used, the toll free number to verify their balance, and to offer assistance if there are any questions about using their card.

**X200 DENY APP. FAIL TO PROVIDE INFO** – Information was added to the notice that if a household received public assistance benefits in the past and received a Montana Access EBT card to keep the card; otherwise there is a \$2.00 fee to replace the card.

**F002 6MR-FURTHER INFORMATION** - The notice was changed to separate required verifications to process the report and other items that are not required but help determine the ongoing benefit amount.

**F008 SHELTER VERIFICATION** – Misspelled words were corrected on page 2 of the notice.

**F221 FSET REFERRAL ONE PERSON HH** – The new notice was created for a single person household who exhausted ABAWD months and informs the individual the he/she was referred to the Food Stamp Employment and Training (FSET) and needs to enroll in the program to be eligible to receive food stamp benefits.

**F222 FSET REFERRAL > 1 PERSON HH** – The new notice was created for a household with more than one person who has an individual in the household who exhausted ABAWD months. The notice informs the household that the ABAWD individual was referred to FSET and needs to enroll in the program to be eligible to receive food stamp benefits.

**F603 6 MR-COURTESY CLOSURE** – The notice was changed to allow 10 days to submit verification when the Six Month Report is received after the 8th of the month. The notice was changed to separate required verifications to process the report and other items that are not required but help determine the ongoing benefit amount.
